**The Ultimate In Luxury
Feline Accommodation**

**Embrace the desire
to expect the best!**

Our special feline guests enjoy a unique standard of personal care, while accommodating in supreme luxury with an ambience not to be surpassed.

Tranquil and leafy gardens, soothing piped music, deluxe resort style adventure areas and stunning water features accessible by all. We pride ourselves on creating the ultimate atmosphere to comfort every guest.

Our guests have unique personalities, special needs & individual requests. We will tailor an experience to suit all personal, medical or dietary needs. We cater to all prescription diets. Medication schedules administered and charted for special needs felines.

With an abundance of love, cuddles, & dedication, we will deliver a purrfect second home for your precious feline. Safe, secure & climate controlled.

We offer unique aged care, day spa services, grooming & pedicures. Images & movies of your special feline can be emailed at your request.

Current vaccination certificate is a prerequisite. Felines own veterinarian consulted and attended if required. Special rates for extended stay guests.

Enjoying over 35 years of divine feline management whilst living on the premises. Reservations essential. Deposits may be required over peak periods to avoid disappointment.
